

BEER GUIDES ON DEMAND

PORT CITY BREWING COMPANY'S MOBILE TASTING ROOM

Beer Guides on Demand adds a fun, educational component to any company event, work retreat, or holiday soiree. Our knowledgeable team provides an interactive experience tailored to your needs while your guests enjoy our award-winning beers.

ABOUT BEER GUIDES ON DEMAND

Our certified Beer Guides will be on site for your event to pour and lead a tasting of Port City Brewing Co. beers, giving a history of our company, and offering fun facts about the brewing process. We'll also provide a selection of PCBC swag such as buttons, pens, stickers, magnets, koozies and others, as available.

PCBC's set up includes a six-foot folding table with table cloth/runner, bottle opener, cups, and beer signage. Your Guide will be on site 30 minutes before your event for set up and provide a Tasting Room-style experience during your function.

For these events the host will provide: a selection of PCBC beer, and a cooler/ice. The host is responsible for providing and storing the beer at proper temperature. Beer should be iced one hour before your event, or refrigerated two hours before your event.

PCBC beer guides are not licensed to transport beer. Hosts may coordinate beer purchase and pick-up through our Tasting Room or work with a caterer or local retailer. Our staff is licensed to pour only PCBC beer. When required, a banquet license for alcohol service can be acquired through your ABC branch. We require all participants to be 21 or order.
